

Voyager Blade NEW

Fast. Simple. Affordable.

**Ultra slim
aluminium bodied
LED exit sign for
surface/suspended/
recessed application**

Key Features

Performance

- 60lm LED output
- Reduced power consumption when compared to T5 8W exit signs
- A choice of maintained and non-maintained operation
- Low energy consumption – only 4W in maintained mode
- 50 000 hours rated life without the need for lamp changes

Construction

- Robust aluminium body with thin Perspex blade
- Single or double sided variants plus option for suspended mounting

Installation

- Suitable for small area use with viewing distances up to 23 metres
- The ceiling/wall version mounts easily with fixing bracket
- For suspended mounting fix plate to ceiling and suspend via the two chains (2x1 m) provided
- Easy to install Exit Legends which are simple to exchange
