

SENSA DMX POWER SUPPLY

Sensa
Art. nr. 96261603

Toepassing

Power supply to be mounted on DIN rail for use specifically with the Sensa DMX Controller (when not powered by the laptop through the USB port) and the Sensa DMX splitter ref. 96261602

Planningsaanwijzingen

Power supply to be mounted on DIN rail for use specifically with the Sensa DMX Controller (when not powered by the laptop through the USB port) and the Sensa DMX splitter ref. 96261603

Functiebeschrijving

- DIN rail mounting
- universal AC input
- protection against short circuit, overload, over voltage
- isolation Class II
- no load power consumption (<0,5W)

Technische gegevens

Afmetingen	25 x 93 x 60 (L x B x H, in mm)
